

THE LAND OF LEGENDS

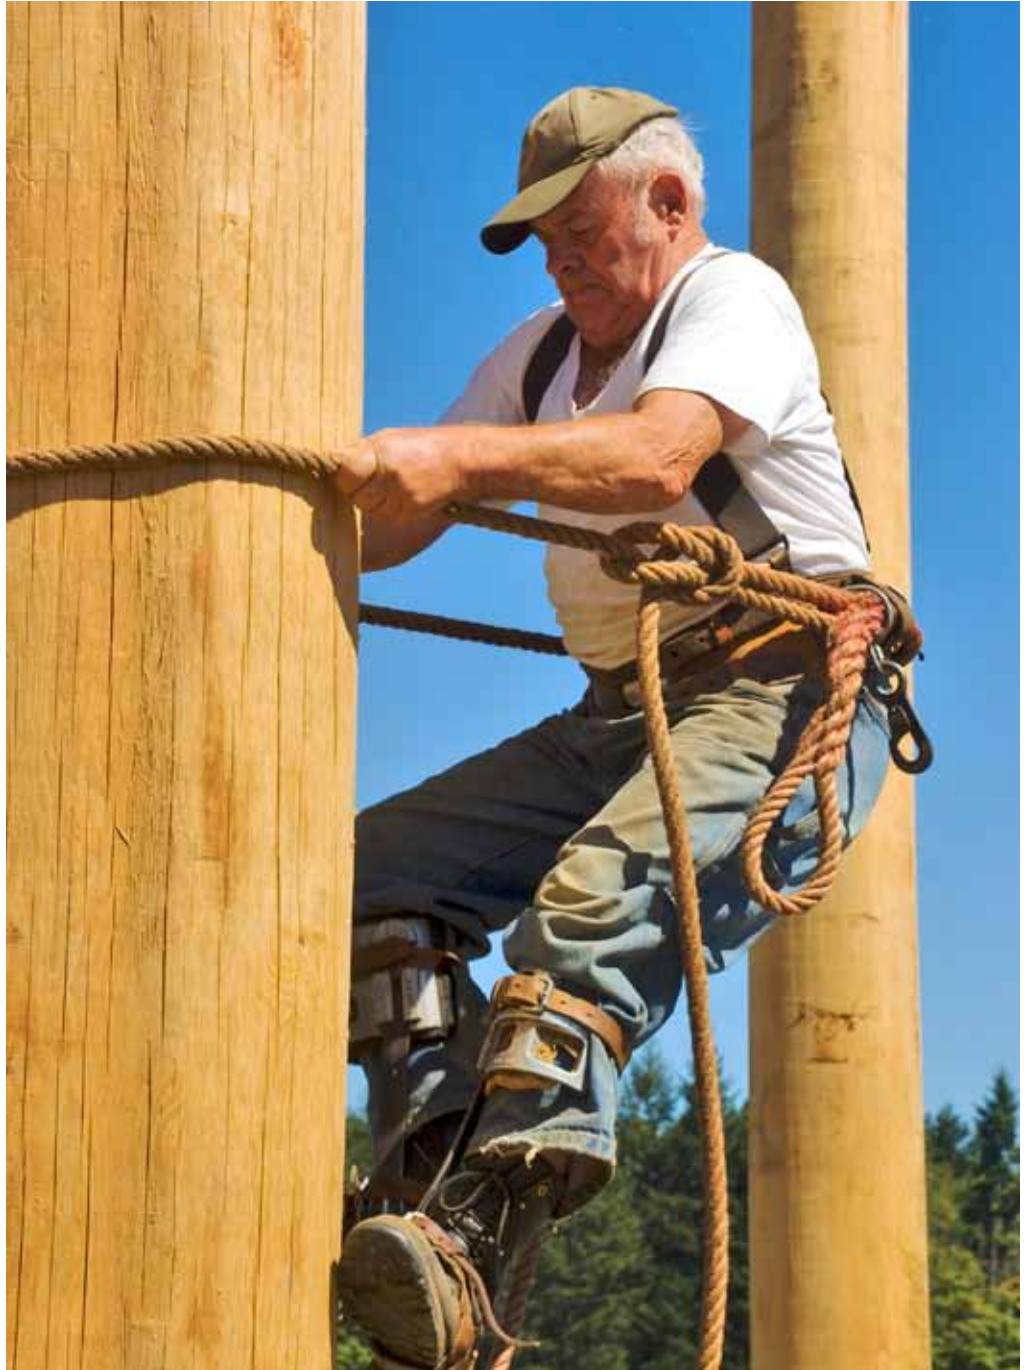

2017 LOGGERS SPORTS SPONSORSHIP PACKAGE

About Cowichan Logger Sports

The Cowichan Exhibition is pleased to announce that during the 149th Cowichan Exhibition Fair the first logger sports competition at the fair will take place since the 1980's. The Cowichan Exhibition is bringing the heritage sport competition back to the fair Saturday, September 9th, 2017. The theme of "The Land of Legends," is sure to bring out local favorites and many entertaining tales!

Logger sports competitions have been occurring in logging camps and communities for decades. So bringing the skills from the forest to a competition setting which celebrates British Columbia's logging history is a reason to get excited! Loggers and non-loggers alike come together to demonstrate their skills in friendly competitions. These competitions take place all over North America and attract local, national and international competitors. The events are fast and exciting ranging from power sawing to the ever popular speed climbing.

We hope that you will be able to assist in bringing this competition to the fair in the form of sponsorship. Whether your goal is to increase awareness of your company, further develop your local image or drive sales.

Our goal is to build a mutually beneficial relationship which exceeds your expectations. If you have any questions or require additional information please feel free to contact our office directly.

THE LAND OF LEGENDS

2017 LOGGERS SPORTS SPONSORSHIP PACKAGE

Dear Corporate Partner

The Cowichan Exhibition is excited to announce that this year for the first time in over 25 years we are hosting a Loggers Sports Show. Our goal is to bring a new level of entertainment to an already spectacular event. The Exhibition is celebrating its 149th Fair and has been rooted in this community since 1867. We have grown to the point where we are the # 1 premier community event hosting close to 18,000 guests in 2016.

This September the EXHIBITION will present our 1st "Land of the Legends" Loggers Sports competition on Saturday Sept 9th. The Cowichan Valley has been home to many World Class Competitors including Ron Hartill, Jube Wickheim, Glen Barry, Bobby Walker, Marv Trudeau and many more. Friday, Sept 8 and Sunday Sept 11th the Laughing Loggers will be performing and carving up a storm.

Historically, logging has been the prime resource based industry in the Cowichan Valley. From the early days of hand logging and steam machinery to the present, logger's sports provide the opportunity to depict the heritage of the industry both past and present.

Our event will provide a platform for the competitors to show their skills, and amaze the crowds. The classes will range from Novice to Intermediate for both men and women. Open events will include Pole climbing, Axe Throwing, Double Sawing, Choker and Chop Saw competitions. The prize purse will be over \$20,000.00

This event is huge and we need your support, we have put together a combination of packages to suit everyone's needs. If you would like us to build a custom package please call and I would be happy to construct one to suit your company's needs

Help us to bring this heritage event back to our community.

I look forward to hearing from you.

Sincerely;

Shari Paterson
Executive Director
Cowichan Exhibition
