Please indicate which division you are entering. Separate entry forms need to be filled out for each division. (One form for Women’s or Men’s, and a separate form for Mixed Doubles).

**CANCELLATION:** The cancellation deadline is April 10, 2020 at 4:30 pm. No refund will be given if cancellation occurs after April 10, 2020.

**FOOD:** Lunch will be provided to players on day(s) they play, plus food vendor(s) will be on site.

**RULES/FORMAT OF PLAY:** There is a change in how the Get a Grip Doubles Round Robin Tournament will operate this year. Instead of 4.5, 4.0, 3.5 levels, we will be using A, B, C levels instead. Instead of teams registering for a specific level, we will be registering a total of 24 teams as a whole in each of the Men’s Doubles, Women’s Doubles and Mixed Doubles. However, please indicate your skill level when you register, for our records.

For the tournament, we will first run short 4 team round robins in order to seed the main round robin tournament consisting of the 3 flights, A, B and C, of 8 teams in each. Over the course of the day, each player will play 10 games, 3 games in the preliminary “seeding” round robins, and 7 games in the actual round robin tournament. All games will be first to 11 win by 1. Medals will be awarded first by: Wins and if tied, then by Total Score. All other IFP rules apply. No non-conforming equipment permitted.

If you do not know what your skill level is, please go to <http://ifpickleball.org/ifp-rating-descriptions/> to read the chart provided to rate yourself. Alternatively, you may ask your fellow picklers to rate you by asking them to review the chart.

Each of the divisions will be capped at 24 teams, after which teams will be put on a waitlist and notified if a spot becomes available.

The Cowichan Valley Regional District is please to support the Mid Island Doubles Pickleball Tournament. Please visit our website at [www.cvr.bc.ca/sportstourism](http://www.cvr.bc.ca/sportstourism) to learn more about our Sports Tourism initiative.
