

Cowichan Exhibition

Communicable Disease Prevention Plan

The health and safety of all patrons at the Cowichan Exhibition Grounds is a top priority as we transition out of the global COVID-19 pandemic.

Hand sanitizing stations are installed at key locations throughout the venue and enhanced cleaning and disinfecting protocols are in place.

We encourage all participants to continue to physical distance. Masks are recommended for participants outdoors and are **Mandatory** indoors; this includes all washrooms, barns and halls.

Proof of vaccination is ONLY required to go into Mellor Hall. A station will be set up on site where you can show your Vaccination card to receive a bracelet that will allow you into the hall.

Exposure to COVID-19 is an inherent risk in any public location where people are present; we cannot guarantee you will not be exposed during your visit.

If you are not well, please stay home and get better, we will welcome you back next year.
